The Notes were issued in the form filed as Exhibit 4.1 hereto and were sold pursuant to the Underwriting Agreement (the “Underwriting Agreement”) which the Company entered into on March 31, 2020 with BofA Securities, Inc., Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. LLC and HSBC Securities (USA) Inc., as representatives of the several underwriters named therein (collectively, the “Underwriters”). The Underwriting Agreement is attached hereto as Exhibit 1.1 and is incorporated herein by reference. The Notes were offered and sold pursuant to the prospectus supplement dated March 31, 2020, to the prospectus dated February 28, 2018, each filed with the Securities and Exchange Commission (the “Commission”) as part of the Company’s registration statement on Form S-3 (Registration No. 333-223309) (the “Registration Statement”).

The Underwriting Agreement includes customary representations, warranties and covenants by the Company. It also provides for customary indemnification by each of the Company and the Underwriters against certain liabilities and customary contribution provisions in respect of those liabilities.

The Notes sold pursuant to the Underwriting Agreement will be governed by the terms of an Indenture, dated as of May 5, 2006, entered into with U.S. Bank National Association, as trustee. The Notes will be senior unsecured obligations of the Company and will rank prior to all of the Company’s subordinated indebtedness and on an equal basis with all of the Company’s other senior unsecured indebtedness. Interest on the Notes will accrue at a rate of 3.000% per annum and will be payable semi-annually in arrears on each April 2 and October 2, commencing October 2, 2020.

(i) At any time before March 2, 2025 (the “Par Call Date”), the Notes will be redeemable at a redemption price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed or (2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due if the Notes matured on the Par Call Date, not including any portion of such payments of interest accrued as of the redemption date, discounted to the redemption date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the treasury rate plus 45 basis points, plus, in each case, accrued and unpaid interest on the Notes to be redeemed to, but excluding, the redemption date.

(ii) At any time on or after the Par Call Date, the Notes will be redeemable at a redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the Notes to be redeemed to, but excluding, the redemption date.

Delivery of the Notes in book-entry form only through the facilities of The Depository Trust Company was made on April 2, 2020. The deposits of the Bank are insured to the fullest extent permitted by law by the Federal Deposit Insurance Corporation (the "**FDIC**"), and all premiums and assessments required to be paid in connection therewith have been paid when due, and no proceedings for the termination or revocation of such insurance are pending or, to the knowledge of the Company, threatened. The Bank is well capitalized as of the date of its most recent relevant regulatory report according to the applicable capital standards of the Office of the Comptroller of the Currency (the "**OCC**"). The Company, the Bank and each of their respective subsidiaries are in compliance with all applicable laws administered by the Federal Reserve, the OCC, the FDIC, the Consumer Financial Protection Bureau ("**CFPB**") and any other federal or state bank regulatory authorities (together with the Federal Reserve, the OCC, the FDIC and the CFPB, the "**Bank Regulatory Authorities**") with jurisdiction over the Company or any of its Subsidiaries or the Bank, except for failures to be so in compliance that would not individually or in the aggregate have a Material Adverse Effect or where permitted by a regulatory conformance period. Except as set forth in the most recent Preliminary Prospectus or the Prospectus or except for confidential supervisory information, which, under applicable law and regulation, the Company may not address in this representation, there are no material written agreements, memoranda of understanding, cease and desist orders, orders of prohibition or suspension or consent decrees, in each case that are material to the Company and its Subsidiaries, taken as a whole, between any Bank Regulatory Authority and the Company or any of its Subsidiaries (including the Bank).

(bb) The Company possesses all licenses, certificates, permits and other authorizations issued by the appropriate national and local U.S. federal and state regulatory authorities necessary to conduct its businesses, except to the extent that the failure to possess any such licenses, permits or other authorizations would not have a Material Adverse Effect, and the Company has not received any notice of proceedings relating to the revocation or modification of any such license, certificate, permit or other authorization that, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect, except as set forth in or as contemplated by the most recent Preliminary Prospectus or the Prospectus.

(cc) No relationship, direct or indirect, exists between or among the Company or any of its Subsidiaries, on the one hand, and the directors, officers, stockholders, customers or suppliers of the Company or any of its Subsidiaries, on the other, that is required by the Securities Act to be described in the Registration Statement and the Prospectus and that is not so described in such documents and in the Disclosure Package.

(dd) The Company and its Subsidiaries have filed all tax returns required to be filed through the date hereof and timely paid all federal, state, local and foreign taxes reflected on such returns; and except as otherwise disclosed in the Registration Statement, the Disclosure Package and the Prospectus, there is no material tax deficiency that has been, or could reasonably be expected to be, asserted against the Company or any of its Subsidiaries or any of their respective properties or assets, except for any such deficiency subject to good faith contest for which adequate provision has been made.

(ee) Neither the Company nor any of its Subsidiaries has violated any foreign, federal, state or local law or regulation relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants or any provisions of the Employee Retirement Income Security Act of 1974, as amended, except for such violations which would not have a Material Adverse Effect.

(ff) The Company and its Subsidiaries have insurance covering their respective properties, operations, personnel and businesses, including business interruption insurance, which insurance is in amounts and insures against such losses and risks as are adequate to protect the Company and its Subsidiaries and their respective businesses; and neither the Company nor any of its Subsidiaries has (i) received notice from any insurer or agent of such insurer that capital improvements or other expenditures are required or necessary to be made in order to continue such insurance or (ii) any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage at reasonable cost from similar insurers as may be necessary to continue its business.

(gg) Neither the Company nor any of its Subsidiaries nor, to the knowledge of the Company, any director, officer, employee, agent, Affiliate or other person associated with or acting on behalf of the Company or any of its Subsidiaries has (i) used any funds for any unlawful contribution, gift, entertainment or other unlawful expense relating to political activity; (ii) made or taken an act in furtherance of an offer, promise or authorization of any direct or indirect unlawful payment or benefit to any foreign or domestic government or regulatory official or employee, including of any government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977, as amended, or any applicable law or regulation implementing the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions, or committed an offence under the Bribery Act of 2010 of the United Kingdom, or any other applicable anti-bribery or anti-corruption law; or (iv) made, offered, agreed, requested or taken an act in furtherance of any unlawful bribe or other unlawful benefit, including, without limitation, any rebate, payoff, influence payment, kickback or other unlawful or improper payment or benefit. The Company and its Subsidiaries have instituted, and maintain and enforce, policies and procedures designed to promote and ensure compliance with applicable anti-bribery and anti-corruption laws.

(hh) The operations of the Company and its Subsidiaries are and have been conducted at all times in compliance with applicable financial recordkeeping and reporting requirements, including those of the Currency and Foreign Transactions Reporting Act of 1970, as amended, the applicable anti-money laundering statutes of all jurisdictions where the Company or any of its Subsidiaries conduct business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental or regulatory agency (collectively, the “**Anti-Money Laundering Laws**”), and no action, suit or proceeding by or before any court or governmental or regulatory agency, authority or body or any arbitrator involving the Company or any of its Subsidiaries with respect to the Anti-Money Laundering Laws is pending or, to the knowledge of the Company, threatened.

(ii) Neither the Company nor any of its Subsidiaries, nor, to the knowledge of the Company, any director, officer, employee, agent, or Affiliate of the Company or any of its subsidiaries is currently the subject or the target of any sanctions administered or enforced by the U.S. Government, (including, without limitation, the Office of Foreign Assets Control of the U.S. Department of the Treasury or the U.S. Department of State and including, without limitation, the designation as a “specially designated national” or “blocked person”), the United Nations Security Council, the European Union, Her Majesty’s Treasury, or any other relevant sanctions authority (collectively, “**Sanctions**”), nor is the Company or any of its Subsidiaries located, organized or resident in a country, region or territory that is currently the subject or the target of Sanctions, including, without limitation, Crimea, Cuba, Iran, North Korea and Syria (each, a “**Sanctioned Country**”); and the Company will not directly or indirectly, use the proceeds of the offering of the Notes hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity (i) to fund or facilitate any activities of or business with any person that, at the time of such funding or facilitation, is the subject or the target of Sanctions, (ii) to fund or facilitate any activities of or business in any Sanctioned Country or (iii) in any other manner that will result in a violation by any person (including any person participating in the transaction, whether as underwriter, advisor, investor or otherwise) of Sanctions. For the past five years, the Company and its Subsidiaries have not knowingly engaged in, and are not now knowingly engaged in, any dealings or transactions with any person that at the time of the dealing or transaction is or was the subject or the target of Sanctions or with any Sanctioned Country.

(jj) The Notes constitute “senior indebtedness” as such term is defined in any indenture and any agreement governing any outstanding subordinated indebtedness of the Company.

(kk) Except as described in the most recent Preliminary Prospectus and the Prospectus, no Significant Subsidiary of the Company is currently prohibited, directly or indirectly, under applicable law or any agreement or other instrument to which it is a party or is subject, from paying any dividends to the Company, from making any other distribution on such Significant Subsidiary’s capital stock, from repaying to the Company any loans or advances to such Significant Subsidiary from the Company or from transferring any of such Significant Subsidiary’s properties or assets to the Company or any other Significant Subsidiary of the Company.

(ll) No forward-looking statement (within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act) contained in the Registration Statement, the Disclosure Package and the Prospectus has been made or reaffirmed without a reasonable basis or has been disclosed other than in good faith.

(mm) Nothing has come to the attention of the Company that has caused the Company to believe that the statistical and market-related data included in the Registration Statement, the Disclosure Package and the Prospectus is not based on or derived from sources that are reliable and accurate in all material respects.

(nn) Each of the Company and its Subsidiaries that is required to be organized or licensed as an insurance company in its jurisdiction of incorporation (including jurisdictions outside of the United States) (each an “**Insurance Subsidiary**”) has all necessary consents, licenses, authorizations, approvals, exemptions, orders, certificates and permits (collectively, the “**Consents**”) of and from, and has made all filings and declarations (collectively, the “**Filings**”) with, all insurance regulatory authorities, all Federal, state, local and other governmental authorities (including, without limitation, the Minnesota Department of Commerce (Insurance Division) and the New York Department of Financial Services), all self-regulatory organizations and all courts and other tribunals, necessary to own, lease, license and use its properties and assets and to conduct its business, except where the failure to have such Consents or to make such Filings would not, individually or in the aggregate, have a Material Adverse Effect; all such Consents and Filings are in full force and effect, the Company and its Insurance Subsidiaries are in compliance with such Consents and neither the Company nor any of its Insurance Subsidiaries has received any notice of any inquiry, investigation or proceeding that would reasonably be expected to result in the suspension, revocation or limitation of any such Consent or otherwise impose any limitation on the conduct of the business of the Company or any of its respective Insurance Subsidiaries, except as set forth in the most recent Preliminary Prospectus and Prospectus or except as any such failure to be in full force and effect, failure to be in compliance with, suspension, revocation or limitation would not, individually or in the aggregate, have a Material Adverse Effect; each of the Company and its Insurance Subsidiaries is in compliance with, and conducts its businesses in conformity with, all applicable insurance laws and regulations, except where the failure to so comply or conform would not, individually or in the aggregate, have a Material Adverse Effect. Without limiting the foregoing, each of the Insurance Subsidiaries has made all Filings pursuant to, and has obtained all Consents required of, all applicable insurance laws and regulations in connection with the issuance and sale of the Notes.

(oo) The 2019 statutory annual statements of each Insurance Subsidiary and the statutory balance sheets and income statements included in such statutory annual statements together with related schedules and notes have been prepared, in all material respects, in conformity with statutory accounting principles and practices required or permitted by the appropriate insurance regulator of the jurisdiction of domicile of each such Insurance Subsidiary, and such statutory accounting principles and practices have been applied on a consistent basis throughout the periods involved, except as may otherwise be indicated therein or in the notes thereto, and present fairly, in all material respects, the statutory financial position of such Insurance Subsidiaries as of the dates thereof, and the statutory basis results of operations of such Insurance Subsidiaries for the periods covered thereby.

(pp) The Company and its Subsidiaries have good and marketable title in fee simple to all real property and good and marketable title to all personal property owned by them, in each case free and clear of all liens, encumbrances and defects except such as are described in the most recent Preliminary Prospectus and the Prospectus or such as do not materially affect the value of such property and do not interfere with the use made and proposed to be made of such property by the Company and its Subsidiaries; and any real property and buildings held under lease by the Company and its Subsidiaries are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not interfere with the use made and proposed to be made of such property and buildings by the Company and its Subsidiaries.

(qq) Except as could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect, or as otherwise disclosed in the Disclosure Package and the Prospectus, (i) each employee benefit plan, within the meaning of Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended (“**ERISA**”), for which the Company or any member of its “**Controlled Group**” (defined as any entity, whether or not incorporated, that is under common control with the Company within the meaning of Section 4001(a)(14) of ERISA or any entity that would be regarded as a single employer with the Company under Section 414(b),(c),(m) or (o) of the Internal Revenue Code of 1986, as amended (the “**Code**”)) would have any liability (each, a “**Plan**”) has been maintained in compliance with its terms and the requirements of any applicable statutes, orders, rules and regulations, including but not limited to ERISA and the Code; (ii) no prohibited transaction, within the meaning of Section 406 of ERISA or Section 4975 of the Code, has occurred with respect to any Plan, excluding transactions effected pursuant to a statutory or administrative exemption; (iii) for each Plan that is subject to the funding rules of Section 412 of the Code or Section 302 of ERISA, no Plan has failed (whether or not waived), or is reasonably expected to fail, to satisfy the minimum funding standards (within the meaning of Section 302 of ERISA or Section 412 of the Code) applicable to such Plan; (iv) no Plan is, or is reasonably expected to be, in “at risk status” (within the meaning of Section 303(i) of ERISA) and no Plan that is a “multiemployer plan” within the meaning of Section 4001(a)(3) of ERISA (a “**Multiemployer Plan**”) is in “endangered status” or “critical status” (within the meaning of Sections 304 and 305 of ERISA); (v) each Plan that is intended to be qualified under Section 401(a) of the Code is so qualified, and nothing has occurred, whether by action or by failure to act, which would cause the loss of such qualification; (vi) neither the Company nor any member of the Controlled Group has incurred, nor reasonably expects to incur, any liability under Title IV of ERISA (other than contributions to the Plan or premiums to the Pension Benefit Guarantee Corporation, in the ordinary course and without default) in respect of a Plan (including a Multiemployer Plan). None of the following events has occurred or is reasonably likely to occur: (A) a material increase in the aggregate amount of contributions required to be made to all Plans by the Company or its Controlled Group affiliates in the current fiscal year of the Company and its Controlled Group affiliates compared to the amount of such contributions made in the Company’s and its Controlled Group affiliates’ most recently completed fiscal year; or (B) a material increase in the Company and its Subsidiaries’ “accumulated post-retirement benefit obligations” (within the meaning of Accounting Standards Codification Topic 715-60) compared to the amount of such obligations in the Company and its Subsidiaries’ most recently completed fiscal year.

(rr) Except as described in the Disclosure Package and the Prospectus, (i) there has been no material security breach or other material compromise of or relating to any of the information technology assets and equipment, computer, systems, networks, hardware, software, websites, applications and databases (“**IT Systems**”) or the proprietary data stored therein and processed thereby (including the data of their respective customers or employees) controlled by the Company or its Subsidiaries, other than those that were resolved without material cost or liability; (ii) there has been no material security breach or other material compromise of any of the Company’s or its Subsidiaries’ suppliers’ or vendors’ IT Systems that led to the exfiltration of the Company’s or its Subsidiaries’ proprietary data; (iii) the Company and its Subsidiaries have not been notified of, and have no knowledge of any unresolved event or condition that would reasonably be expected to result in, any material security breach or other material compromise to their IT Systems; (iv) the Company and its Subsidiaries are presently in material compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of their IT Systems and proprietary data and to the protection of such IT Systems and proprietary data from unauthorized use, access, misappropriation or modification; and (v) the Company and its Subsidiaries have implemented commercially reasonable policies and procedures, consistent in all material respects with applicable laws and regulations, to maintain and protect the security, integrity and continuous operation of their IT Systems and proprietary data.

2. PURCHASE OF THE NOTES BY THE UNDERWRITERS.

Subject to the terms and conditions and upon the basis of the representations and warranties herein set forth, the Company agrees to issue and sell to the Underwriters, and each of the Underwriters agrees, severally and not jointly, to purchase from the Company, at a price equal to 98.977% of the principal amount per Note, plus accrued interest, if any, from April 2, 2020 to the Closing Date, the principal amount of the Notes set forth opposite such Underwriter's name in Schedule I hereto, *provided, however*, that the total principal amount of Notes to be purchased by all Underwriters shall be the total principal amount of Notes set forth in Schedule I. The Company shall not be obligated to deliver any of the Notes, except upon payment for all the Notes to be purchased on the Closing Date as provided herein. Upon authorization by the Representatives of the release of the Notes, the Underwriters propose to offer the Notes to the public as set forth in the Prospectus. The Company acknowledges and agrees that the Underwriters may offer and sell the Notes to or through any affiliate of an Underwriter and that any such affiliate may offer and sell Notes purchased by it to or through any Underwriter.

3. DELIVERY OF AND PAYMENT FOR NOTES.

Delivery of the Notes and the documents to be delivered on the Closing Date (as defined below) by or on behalf of the parties hereto pursuant to Section 6 hereof will be made at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York, 10017 or at such place or places as mutually may be agreed upon by the Company and the Underwriters, at 10:00 A.M., New York City time, on April 2, 2020 or on such later date not more than three Business Days after the foregoing date as will be determined by you and the Company (the "**Closing Date**").

Delivery of the Notes will be made to you, for the account of each Underwriter, by or on behalf of the Company against payment by or on behalf of the Underwriter of the purchase price therefor by wire transfer of immediately available funds to the account specified by the Company to you at least forty-eight hours in advance of the Closing Date. Delivery of the Notes will be made through the facilities of The Depository Trust Company unless you will otherwise instruct. Any transfer taxes payable in connection with the sale of the Notes will be paid by the Company. The Company will cause the certificates representing the Notes to be made available to you for checking at least twenty-four hours prior to the Closing Date at the office of The Depository Trust Company or its designated custodian. Delivery of the Notes at the time and place specified in this Agreement is a further condition to the obligations of each Underwriter.

4. COVENANTS OF THE COMPANY.

The Company covenants and agrees with each Underwriter that:

(a) The Company will file the Prospectus, in a form approved by you, pursuant to Rule 424(b) of the Rules and Regulations not later than the Commission's close of business on the second Business Day following the execution and delivery of this Agreement or, if applicable, such earlier time as may be required by Rule 424(b). The Company will notify the Representatives promptly of any request by the Commission for any amendment of or supplement to the Registration Statement or the Prospectus or for additional information; the Company will prepare and file with the Commission, promptly upon the request of the Representatives, any amendments or supplements to the Registration Statement or the Prospectus which, in the reasonable judgment of the Representatives, may be necessary or advisable in connection with the distribution of the Notes; and the Company will not file any amendment or supplement to the Registration Statement or the Prospectus or file any document under the Exchange Act before the termination of the offering of the Notes by the Underwriters if such document would be deemed to be incorporated by reference into the Prospectus, which filing is not consented to by you after reasonable notice thereof. The Company will advise you, promptly when any amendment to the Registration Statement has been filed or becomes (or is deemed to have become) effective or any supplement to the Prospectus or any amended Prospectus has been filed. The Company will prepare one or more final term sheets, containing solely a description of the Notes, substantially in the form of Schedule II hereto and approved by the Representatives and file such term sheet or term sheets pursuant to Rule 433(d) under the Securities Act within the time period prescribed by such Rule. The Company will file promptly all other material required to be filed by the Company with the Commission pursuant to Rule 433(d) under the Securities Act within the time period prescribed by such Rule. The Company will advise you promptly of the issuance by the Commission or any State or other regulatory body of any stop order or other order suspending the effectiveness of the Registration Statement, suspending or preventing the use of any Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus or suspending the qualification of the Notes for offering or sale in any jurisdiction, of the institution of any proceedings for any such purpose, or of receipt by the Company from the Commission of any notice of objection to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the Rules and Regulations; and the Company will use its best efforts to prevent the issuance of any stop order or other such order or any such notice of objection and, if a stop order or other such order is issued or any such notice of objection is received, to obtain as soon as possible the lifting or withdrawal thereof, including, without limitation, to amend the Registration Statement or to file a new registration statement, at the Company's own expense, as may be necessary to permit offers and sales of the Notes by the Underwriters (in which case references herein to the Registration Statement shall include any such amendment or new registration statement).

(b) The Company will furnish to each of you and to counsel for the Underwriters such number of conformed copies of the Registration Statement, as originally filed and each amendment thereto (excluding exhibits other than this Agreement), any Preliminary Prospectus, any Issuer Free Writing Prospectus, the Prospectus and all amendments and supplements to any of such documents (including any document filed under the Exchange Act and deemed to be incorporated by reference in the Registration Statement, any Preliminary Prospectus or the Prospectus), in each case as soon as available (in the case of the Prospectus, prior to 5:30 p.m., New York City time, on the second Business Day after the date of this Agreement and from time to time) and in such quantities as you may from time to time reasonably request.

(c) During the period in which the Prospectus relating to the Notes (or in lieu thereof, the notice referred to in Rule 173(a) of the Rules and Regulations) is required to be delivered under the Securities Act, the Company will comply with all requirements imposed upon it by the Securities Act and by the Rules and Regulations, as from time to time in force, so far as is necessary to permit the continuance of sales of or dealings in the Notes as contemplated by the provisions hereof and by the Prospectus. If during such period any event occurs as a result of which the Disclosure Package or the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances then existing, not misleading, or if during such period it is necessary to amend the Registration Statement or amend or supplement the Disclosure Package or the Prospectus or file any document to comply with the Securities Act, the Company will promptly notify you and will, subject to Section 4(a) hereof, amend the Registration Statement, amend or supplement the Disclosure Package or the Prospectus, as the case may be, or file any document (in each case, at the expense of the Company) so as to correct such statement or omission or to effect such compliance, and will furnish without charge to any Underwriter as many written and electronic copies of any such amendment or supplement as the Representatives may from time to time reasonably request.

(d) As soon as practicable, but in any event not later than sixteen months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Securities Act), the Company will make generally available (which may be by posting on any publicly accessible website maintained by the Commission or the Investor Relations function of the Company) to its security holders and the Underwriters an earning statement satisfying the requirements of Section 11(a) of the Securities Act and Rule 158 of the Rules and Regulations.

(e) Whether or not this Agreement becomes effective or is terminated or the sale of the Notes to the Underwriters is consummated, the Company will pay or cause to be paid (A) all fees and expenses (including, without limitation, all registration and filing fees and fees and expenses of the Company's accountants but excluding fees and expenses of counsel for the Underwriters) incurred in connection with the preparation, printing, filing, delivery and shipping of the Registration Statement (including the financial statements therein and all amendments and exhibits thereto), each Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus, the Statement of Eligibility of the Trustee on Form T-1 filed with the Commission (the "Form T-1") and any amendments or supplements of the foregoing and any documents incorporated by reference into any of the foregoing, (B) all fees and expenses incurred in connection with the preparation and delivery to the Underwriters of the Notes (including the cost of printing the Notes), (C) the cost of printing, producing, copying and delivering this Agreement, the Indenture, closing documents (including any compilations thereof) and any other agreements, memoranda, correspondence and other documents printed and delivered in connection with the offering, purchase, sale and delivery of the Notes (but not, however, legal fees and expenses of counsel to the Underwriters incurred in connection with any of the foregoing), (D) all filing fees and other expenses incurred in connection with the qualification of the Notes under the securities laws of the several jurisdictions as provided in Section 4(j) and the preparation, printing and distribution of a Blue Sky Memorandum (including related reasonable fees and expenses of counsel to the Underwriters), (E) any fees required to be paid to rating agencies incurred in connection with the rating of the Notes, (F) the fees, costs and charges of the Trustee and any agent of the Trustee, including the fees and disbursements of counsel for the Trustee, (G) the filing fees incident to, and the reasonable fees and disbursements of counsel for the Underwriters in connection with, any required review by the Financial Industry Regulatory Authority, Inc. of the terms of the sale of the Notes, and (H) all other costs and expenses incident to the performance of its obligations hereunder for which provision is not otherwise made in this Section. It is understood, however, that, except as provided in this Section 4(e), Section 7 and Section 9 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel and any advertising expenses incurred in connection with any offers they may make. If the sale of the Notes provided for herein is not consummated by reason of acts of the Company or changes in circumstances of the Company pursuant to Section 9 hereof which prevent this Agreement from becoming effective, or by reason of any failure, refusal or inability on the part of the Company to perform any agreement on its part to be performed or because any other condition of the Underwriters' obligations hereunder is not fulfilled or if the Underwriters will decline to purchase the Notes for any reason permitted under this Agreement (other than by reason of a default by any of the Underwriters pursuant to Section 8 or if the Underwriters terminate this Agreement pursuant to Section 8), the Company will reimburse the several Underwriters for all reasonable out-of-pocket disbursements (including fees and documented disbursements of counsel) incurred by the Underwriters in connection with any investigation or preparation made by them in respect of the marketing of the Notes or in contemplation of the performance by them of their obligations hereunder.

(f) Until termination of the offering of the Notes, the Company will timely file all reports, any definitive proxy or information statements, and other documents and amendments to previously filed documents required to be filed by it pursuant to Section 12, 13, 14 or 15(d) of the Exchange Act.

(g) The Company will apply the net proceeds from the sale of the Notes as set forth in the Disclosure Package and the Prospectus.

(h) The Company will pay the required Commission filing fees relating to the Notes within the time period required by Rule 456(b)(1) of the Rules and Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the Rules and Regulations.

(i) If required by Rule 430B(h) of the Rules and Regulations, the Company will prepare a prospectus in a form approved by the Representatives and file such prospectus pursuant to Rule 424(b) of the Rules and Regulations not later than may be required by such Rule; and the Company will make no further amendment or supplement to such prospectus that will be disapproved by the Representatives promptly after reasonable notice thereof.

(j) The Company will cooperate with the Underwriters and with their counsel in connection with the qualification of the Notes for offering and sale by the Underwriters and by dealers under the securities laws of such jurisdictions as the Underwriters may designate and will file such consents to service of process or other documents necessary or appropriate in order to effect such qualification and to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of the Notes; *provided*, that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action which would subject it to service of process in suits, other than those arising out of the offering or sale of the Notes, in any jurisdiction where it is not now so subject.

(k) The Company will not take, directly or indirectly, any action designed to cause or result in, or that might reasonably be expected to cause or result in, stabilization or manipulation of the price of the Notes to facilitate the sale or resale of the Notes.

(l) The Company agrees to comply with all the terms and conditions of all agreements set forth in the representation letter of the Company to DTC relating to the approval of the Notes by DTC for “book-entry” transfer.

(m) For the period beginning the date of this Agreement through and including the business day following the Closing Date, the Company will not, without the prior written consent of the Representatives, directly or indirectly, issue, sell, offer to sell, grant any option for the sale of or otherwise dispose of, any debt securities substantially similar to the Notes.

5. FREE WRITING PROSPECTUSES.

(a) The Company represents and warrants to, and agrees with, the Underwriters that it has not made and will not make any offer relating to the Notes that would constitute a “free writing prospectus” as defined in Rule 405 under the Securities Act (other than any Road Show and the Final Term Sheet) without the prior consent of the Representatives; any Issuer Free Writing Prospectus (including any Road Show) the use of which has been consented to by the Representatives is listed on Schedule II hereto. The Company will comply with the requirements of Rule 433 of the Rules and Regulations with respect to any such Issuer Free Writing Prospectus, including timely filing with the Commission or retention where required and legending; any such Issuer Free Writing Prospectus will not, as of its issue date and through the time the Notes are delivered pursuant to Section 3 hereof, include any information that conflicts with the information contained in the Registration Statement, the Disclosure Package and the Prospectus; and any such Issuer Free Writing Prospectus, when taken together with the information contained in the Registration Statement, the Disclosure Package and the Prospectus, did not, as of the Applicable Time, does not and will not, as of the Closing Date, contain an untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided*, that no representation or warranty is made as to information contained in or omitted from the Prospectus or Issuer Free Writing Prospectus in reliance upon and in conformity with written information furnished to the Company through the Representatives by or on behalf of any Underwriter expressly for use therein, which information is specified in Section 12.

(b) Each Underwriter represents and warrants to, and agrees with, the Company and each other Underwriter that it has not made, and will not make any offer relating to the Notes that would constitute a “free writing prospectus” (as such term is defined in Rule 405 under the Securities Act) required to be filed with the Commission, without the prior consent of the Company and the Representatives. The Company and the Representatives have consented to the use by any Underwriter of the Issuer Free Writing Prospectus and any Road Show listed on Schedule II hereto.

(c) The Company agrees that if at any time following issuance of an Issuer Free Writing Prospectus any event occurred or occurs as a result of which such Issuer Free Writing Prospectus would conflict with the information in the Registration Statement, the Disclosure Package or the Prospectus or would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances then prevailing, not misleading, the Company will give prompt notice thereof to the Representatives and, if requested by the Representatives, will prepare and furnish without charge to any Underwriter an Issuer Free Writing Prospectus or other document which will correct such conflict, statement or omission.

6. CONDITIONS OF UNDERWRITERS' OBLIGATIONS.

The obligations of the Underwriters hereunder are subject to the accuracy, as of the date hereof and the Closing Date (as if made at the Closing Date), of the representations and warranties of the Company contained herein, to the performance by the Company of its obligations hereunder and to the following additional conditions:

(a) The Prospectus shall have been filed with the Commission in a timely fashion in accordance with Section 4(a) hereof; all filings (including, without limitation, the Final Term Sheet) required by Rule 424(b) or Rule 433 of the Rules and Regulations shall have been made within the applicable time periods prescribed for such filings by the applicable rules, and no such filings will have been made without the consent of the Representatives; no stop order suspending the effectiveness of the Registration Statement or any amendment or supplement thereto, preventing or suspending the use of the Preliminary Prospectus, any Issuer Free Writing Prospectus or the Prospectus, or suspending the qualification of the Notes for offering or sale in any jurisdiction shall have been issued; no proceedings for the issuance of any such order shall have been initiated or threatened; no notice of objection of the Commission to use the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the Rules and Regulations shall have been received by the Company; and any request of the Commission for additional information (to be included in the Registration Statement or the Prospectus or otherwise) shall have been disclosed to you and complied with to your satisfaction.

(b) No Underwriter shall have been advised by the Company or shall have discovered and disclosed to the Company that the Registration Statement, any Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus or any amendment or supplement thereto, contains an untrue statement of fact which in your reasonable judgment, is material, or omits to state a fact which, in your reasonable judgment, is material and is required to be stated therein or is necessary to make the statements therein not misleading.

(c) The Underwriters shall have received from Simpson Thacher & Bartlett LLP, counsel for the Underwriters, such opinion or opinions, dated the Closing Date, with respect to the validity, issuance and sale of the Notes, the Registration Statement, the Prospectus and the Disclosure Package and other related matters as the Underwriters may reasonably require, and the Company shall have furnished to such counsel such documents as they may reasonably request for the purpose of enabling them to pass upon such matters.

(d) On the Closing Date, you shall have received the opinion (addressed to the Underwriters) of Faegre Drinker Biddle & Reath LLP, counsel for the Company, dated the Closing Date, substantially in the form agreed on or prior to the date hereof.

(e) On the Closing Date, you shall have received the opinion (addressed to the Underwriters) of the General Counsel or Assistant General Counsel of the Company, dated the Closing Date, substantially in the form agreed on or prior to the date hereof.

(f) On the Closing Date, you shall have received a certificate, dated the Closing Date and addressed to you, signed by (x) the Chairman of the Board or the President or any Executive Vice President or any Senior Vice President or any Vice President of the Company and (y) the Chief Financial Officer, the Treasurer, or the Controller of the Company, to the effect that: (i) the representations and warranties of the Company contained in this Agreement are true and correct, as if made at and as of the Closing Date, and the Company has complied with all the agreements and satisfied all the conditions on its part to be complied with or satisfied at or prior to the Closing Date; (ii) no stop order suspending the effectiveness of the Registration Statement has been issued, no proceeding for that purpose has been initiated or, to the best of their knowledge, threatened, no notice of objection of the Commission to the use of the Registration Statement or any post-effective amendment thereto pursuant to Rule 401(g)(2) of the Rules and Regulations has been received by the Company, and no order preventing or suspending the use of any Preliminary Prospectus, the Prospectus or any Issuer Free Writing Prospectus has been issued by the Commission; (iii) all filings required by Rule 424(b) or Rule 433 of the Rules and Regulations have been made within the applicable time periods prescribed for such filings by the applicable rules; (iv) the signers of such certificate have carefully examined the Registration Statement and the Prospectus, and any amendments or supplements thereto (including any documents filed under the Exchange Act and deemed to be incorporated by reference into the Prospectus), and do not include any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; (v) since the Effective Date of the Initial Registration Statement, there has occurred no event required to be set forth in an amendment or supplement to the Registration Statement, any Preliminary Prospectus or the Prospectus which has not been so set forth and there has been no document required to be filed under the Exchange Act and the Rules and Regulations that upon such filing would be deemed to be incorporated by reference into the Registration Statement, any Preliminary Prospectus or the Prospectus that has not been so filed; and (vi) no event contemplated by Section 6(g) hereof will have occurred.

(g) Since the dates as of which information is given in the Registration Statement (exclusive of any amendment thereto) and in the most recent Preliminary Prospectus (exclusive of any supplement thereto filed subsequent to the date hereof), neither the Company nor any of its Subsidiaries will have sustained any loss by fire, flood, accident or other calamity, or will have become a party to or the subject of any litigation or legal or governmental proceeding, which is materially adverse to the Company and its Subsidiaries taken as a whole, nor will there have been a material adverse change in the condition (financial or otherwise), results of operations, business or prospects of the Company and its Subsidiaries taken as a whole, regardless of whether arising in the ordinary course of business, which loss, litigation or change, in the judgement of the Representatives, will render it impractical or inadvisable to proceed with the payment for and delivery of the Notes.

(h) At the time of execution of this Agreement, the Underwriters shall have received from PricewaterhouseCoopers LLP a letter, in form and substance satisfactory to the Underwriters, addressed to the Underwriters and dated the date hereof (i) confirming that they are independent registered public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) stating, as of the date hereof (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the most recent Preliminary Prospectus, as of a date not more than three days prior to the date hereof), the conclusions and findings of such firm with respect to the financial information and other matters ordinarily covered by accountants' "comfort letters" to underwriters in connection with registered public offerings.

(i) With respect to the letter of PricewaterhouseCoopers LLP referred to in the preceding paragraph and delivered to the Underwriters concurrently with the execution of this Agreement (the "**Initial Letter**"), the Company shall have furnished to the Underwriters a letter (the "**Bring-Down Letter**") of such accountants, addressed to the Underwriters and dated the Closing Date (i) confirming that they are independent registered public accountants within the meaning of the Securities Act and are in compliance with the applicable requirements relating to the qualification of accountants under Rule 2-01 of Regulation S-X of the Commission, (ii) stating, as of the date of the Bring-Down Letter (or, with respect to matters involving changes or developments since the respective dates as of which specified financial information is given in the Prospectus, as of a date not more than three days prior to the date of the Bring-Down Letter), the conclusions and findings of such firm with respect to the financial information and other matters covered by the Initial Letter and (iii) confirming in all material respects the conclusions and findings set forth in the Initial Letter.

(j) Prior to or on the Closing Date, you shall have been furnished by the Company such additional documents and certificates as you or counsel for the Underwriters may reasonably request.

(k) Subsequent to the earlier of (A) the Applicable Time and (B) the execution and delivery of this Agreement (i) no downgrading shall have occurred in the rating accorded to the debt securities of the Company or any of its Subsidiaries by any "nationally recognized statistical rating organization" as that term is defined in Section 3(a)(62) under the Exchange Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review with possible negative implications any such debt securities.

(l) Subsequent to the execution and delivery of this Agreement there shall not have occurred any of the following: (i) trading in securities generally on the New York Stock Exchange or in the over-the-counter market, or trading in any securities of the Company on any exchange or in the over-the-counter market, shall have been suspended or minimum prices shall have been established on any such exchange or such market by the Commission, by such exchange or by any other regulatory body or governmental authority having jurisdiction; (ii) a banking moratorium shall have been declared by Federal or state authorities; (iii) a material disruption in commercial banking or securities settlement or clearance systems shall have occurred; (iv) the United States shall have become engaged in hostilities, there shall have been an escalation in hostilities involving the United States or there shall have been a declaration of a national emergency or war by the United States; or (v) there shall have occurred such a material adverse change, or an event which would reasonably be expected to have a prospective material adverse change, in general economic, political or financial conditions or prospects, including, without limitation, as a result of terrorist activities after the date hereof (or the effect of international conditions on the financial markets in the United States shall be such) that in the case of clauses (i), (iv) and (v) are such as to make it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the offering or delivery of the Notes being delivered on the Closing Date on the terms and in the manner contemplated in the Prospectus.

(m) No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any federal, state or foreign governmental or regulatory authority that would, as of the Closing Date, prevent the issuance or sale of the Notes; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Date, prevent the issuance or sale of the Notes.

(n) The Representatives shall have received on or prior to the Closing Date satisfactory evidence of the good standing of the Company and its Significant Subsidiaries in their respective jurisdictions of organization and their good standing in such other jurisdictions as the Representatives may reasonably request, in each case as of a recent date and in a writing or any standard form of telecommunication from the appropriate governmental authorities of such jurisdictions; *provided, however*, that the Company shall have used commercially reasonable efforts to deliver satisfactory evidence of the good standing of RiverSource Life Insurance Co. of New York.

(o) On the Closing Date, you shall have received a certificate, dated the Closing Date and addressed to you, signed by the Chief Financial Officer, Treasurer or Controller of the Company, listing all agreements and instruments to which the Company is a party or by which it is bound which contain any covenant or restriction which limits or restricts the Company's freedom to incur indebtedness and confirming that after giving effect to the offering of the Notes, the issuance and sale of the Notes would not result in any breach of, or constitute any default under, such agreements and instruments, and addressing such other matters, and substantially in the form, set forth in Schedule III hereto.

All opinions, certificates, letters and documents referred to in this Section 6 will be in compliance with the provisions hereof only if they are satisfactory in form and substance to you in your reasonable judgment. The Company will furnish to you conformed copies of such opinions, certificates, letters and other documents in such number as you will reasonably request. If any of the conditions specified in this Section 6 are not fulfilled when and as required by this Agreement, this Agreement and all obligations of the Underwriters hereunder may be canceled at, or at any time prior to, the Closing Date by you. Any such cancellation will be without liability of the Underwriters to the Company. Notice of such cancellation will be given to the Company in writing, or by telephone and confirmed in writing.

7. INDEMNIFICATION AND CONTRIBUTION.

(a) The Company will indemnify and hold harmless each Underwriter, its affiliates, directors and officers and each person, if any, who controls such Underwriter within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, from and against any loss, claim, damage or liability (or any action in respect thereof), joint or several, to which such Underwriter or such person may become subject, under the Securities Act or otherwise, insofar as such loss, claim, damage or liability (or action in respect thereof) arises out of or is based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (other than in any Statement of Eligibility (Form T-1) under the Trust Indenture Act filed as an exhibit thereto), any Preliminary Prospectus, the Prospectus, the Disclosure Package, the Registration Statement or Prospectus as amended or supplemented, any Issuer Free Writing Prospectus, any "issuer information" filed or required to be filed pursuant to Rule 433(d) of the Rules and Regulations, or any "road show" (as defined in Rule 433 of the Rules and Regulations) that does not otherwise constitute an Issuer Free Writing Prospectus, or the omission or alleged omission to state in the Registration Statement (other than in any Statement of Eligibility (Form T-1) under the Trust Indenture Act filed as an exhibit thereto), any Preliminary Prospectus, the Prospectus, the Disclosure Package, or the Registration Statement or Prospectus as amended or supplemented or any Issuer Free Writing Prospectus, any issuer information or any road show a material fact required to be stated therein or necessary to make the statements therein not misleading; and will reimburse each Underwriter or such person promptly after receipt of invoices and supporting documentation from such Underwriter or such person for any legal or other expenses as reasonably incurred by such Underwriter or such person in connection with investigating, preparing to defend or defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action, notwithstanding the possibility that payments for such expenses might later be held to be improper, in which case such payments will be promptly refunded; *provided, however*, that the Company will not be liable under this Section 7(a) in any such case to the extent, but only to the extent, that any such loss, claim, damage, liability or action arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by the Representatives, on behalf of the Underwriters, expressly for use in the preparation of the Registration Statement, any Preliminary Prospectus, the Prospectus, the Disclosure Package, the Registration Statement or Prospectus as amended or supplemented, or any Issuer Free Writing Prospectus, which information is specified in Section 12.

(b) Each Underwriter severally, but not jointly, will indemnify and hold harmless the Company, its directors, its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, against any loss, claim, damage or liability (or any action in respect thereof) to which the Company or such person may become subject, under the Securities Act or otherwise, insofar as such loss, claim, damage or liability (or action in respect thereof) arises out of or is based upon (i) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, any Preliminary Prospectus, the Prospectus, the Disclosure Package, the Registration Statement or Prospectus as amended or supplemented, or any Issuer Free Writing Prospectus, or (ii) the omission or alleged omission to state in the Registration Statement, any Preliminary Prospectus, the Prospectus, the Disclosure Package, the Registration Statement or Prospectus as amended or supplemented, or any Issuer Free Writing Prospectus, a material fact required to be stated therein or necessary to make the statements therein not misleading and will reimburse the Company or such person promptly after receipt of invoices and supporting documentation from the Company or such person for any legal or other expenses reasonably incurred by the Company or such person in connection with investigating, preparing to defend or defending against or appearing as a third-party witness in connection with any such loss, claim, damage, liability or action notwithstanding the possibility that payments for such expenses might later be held to be improper, in which case such payments will be promptly refunded; **provided, however**, that such indemnification or reimbursement will be available in each such case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in reliance upon and in conformity with written information furnished to the Company by the Representatives, on behalf of such Underwriter, expressly for use therein, which information is specified in Section 12.

(c) Promptly after receipt by any indemnified party under Section 7(a) or 7(b) above of notice of any claim or the commencement of any action, the indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the claim or the commencement of that action; **provided, however**, that the failure to so notify the indemnifying party will not relieve it from any liability which it may have under this Section 7 except to the extent it has been prejudiced in any material respect by such failure or from any liability which it may have to an indemnified party otherwise than under this Section 7. If any such claim or action will be brought against any indemnified party, and it will notify the indemnifying party thereof, the indemnifying party will be entitled to participate therein and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defense thereof with counsel reasonably satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defense of such claim or action, the indemnifying party will not be liable to the indemnified party under Section 7(a) or 7(b) above for any legal or other expenses subsequently incurred by the indemnified party in connection with the defense thereof other than reasonable costs of investigation; except that the Underwriters will have the right to employ a single counsel to represent all of the Underwriters (and to the extent necessary, a single local counsel in each jurisdiction in which proceedings have been brought) who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Underwriters against the Company under such subsection if (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Underwriters will have been advised by counsel that there may be one or more legal defenses available to the Underwriters which are different from or additional to those available to the Company and in the reasonable judgment of such counsel it is advisable for the Underwriters to employ separate counsel or (iii) the Company has failed to assume the defense of such action and employ counsel reasonably satisfactory to the Underwriters, in which event the reasonable and documented fees and expenses of such separate counsel will be paid by the Company. No indemnifying party will (i) without the prior written consent of the indemnified parties (which consent will not be unreasonably withheld or delayed), settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and such settlement, compromise or consent does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any indemnified person, or (ii) be liable for any settlement of any such action effected without its written consent (which consent will not be unreasonably withheld or delayed), but if settled with the consent of the indemnifying party or if there be a final judgment of the plaintiff in any such action, the indemnifying party agrees to indemnify and hold harmless any indemnified party from and against any loss or liability by reason of such settlement or judgment and such settlement, compromise or consent does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any indemnified person.

(d) If the indemnification provided for in this Section 7 is unavailable or insufficient to hold harmless an indemnified party under Section 7(a) or 7(b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities referred to in Section 7(a) or 7(b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters on the other hand from the offering of the Notes or (ii) if the allocation provided by clause (i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company on the one hand and the Underwriters on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities, or actions in respect thereof, as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other hand will be deemed to be in the same proportion as the total net proceeds from the offering of the Notes (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by the Underwriters, in each case as set forth in the table on the cover page of the Prospectus. Relative fault will be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Company and the Underwriters agree that it would not be just and equitable if contributions pursuant to this Section 7(d) were to be determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take into account the equitable considerations referred to in the first sentence of this Section 7(d). The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in the first sentence of this Section 7(d) will be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating, preparing to defend or defending against any action or claim which is the subject of this Section 7(d). Notwithstanding the provisions of this Section 7(d), no Underwriter will be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter in respect of the Notes underwritten by it and distributed to investors exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) will be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations in this Section 7(d) to contribute are several in proportion to their respective underwriting obligations and not joint. Each party entitled to contribution agrees that upon the service of a summons or other initial legal process upon it in any action instituted against it in respect to which contribution may be sought, it will promptly give written notice of such service to the party or parties from whom contribution may be sought, but the omission so to notify such party or parties of any such service will not relieve the party from whom contribution may be sought for any obligation it may have hereunder or otherwise (except as specifically provided in Section 7(c) above).

(e) The remedies provided for in this Section 7 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

8. SUBSTITUTION OF UNDERWRITERS.

If, on the Closing Date, any Underwriter defaults in its obligation to purchase the principal amount of the Notes which it has agreed to purchase under this Agreement, each non-defaulting Underwriter will be required to purchase (in the respective proportions which the principal amount of the Notes set forth opposite the name of each non-defaulting Underwriter in Schedule I hereto bears to the total principal amount of the Notes less the principal amount of the Notes the defaulting Underwriter agreed to purchase set forth in Schedule I hereto) the principal amount of the Notes which the defaulting Underwriter agreed but failed to purchase; except that the non-defaulting Underwriters will not be obligated to purchase any of the Notes if the total principal amount of the Notes which the defaulting Underwriter or Underwriters agreed but failed to purchase exceeds 9.09% of the total principal amount of the Notes, and any non-defaulting Underwriters will not be obligated to purchase more than 110% of the principal amount of the Notes set forth opposite its name in Schedule I hereto. If the foregoing maximums are exceeded, the non-defaulting Underwriters, and any other underwriters satisfactory to you who so agree, will have the right, but will not be obligated, to purchase (in such proportions as may be agreed upon among them) all of the Notes. If the non-defaulting Underwriters or the other underwriters satisfactory to the Underwriters do not elect to purchase the Notes that the defaulting Underwriter or Underwriters agreed but failed to purchase within 36 hours after such default, this Agreement will terminate without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 4(e) hereof and the indemnity and contribution agreements of the Company and the Underwriters contained in Section 7 hereof. As used in this Agreement, the term "Underwriter" includes any person substituted for an Underwriter pursuant to this Section 8.

Nothing contained herein will relieve a defaulting Underwriter of any liability it may have for damages caused by its default. If the non-defaulting Underwriters or the other underwriters satisfactory to you are obligated or agree to purchase the Notes of a defaulting Underwriter, the Representatives may postpone the Closing Date for up to seven full Business Days in order to effect any changes that may be necessary in the Registration Statement or the Prospectus or in any other document or agreement, and to file promptly any amendments or any supplements to the Registration Statement, the Disclosure Package or the Prospectus which in the opinion of the Representatives may thereby be made necessary.

9. TERMINATION.

Until the Closing Date, this Agreement may be terminated by you by giving notice as hereinafter provided to the Company if (a) the Company will have failed, refused or been unable, at or prior to the Closing Date, to perform any agreement on its part to be performed hereunder; (b) any of the events described in Sections 6(l) and 6(m) shall have occurred; or (c) any other condition to the Underwriters' obligations hereunder is not fulfilled. Any termination of this Agreement pursuant to this Section 9 will be without liability on the part of the Company or any Underwriter, except as otherwise provided in Sections 4(e) and 8 hereof.

Any notice referred to above may be given at the address specified in Section 11 hereof in writing or by telephone, and if by telephone, will be immediately confirmed in writing.

10. SURVIVAL OF CERTAIN PROVISIONS.

The agreements contained in Section 7 hereof and the representations, warranties and agreements of the Company contained in Sections 1 and 4 hereof will survive the delivery of the Notes to the Underwriters hereunder and will remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

11. NOTICES.

Except as otherwise provided in the Agreement, (a) whenever notice is required by the provisions of this Agreement to be given to the Company, such notice will be in writing or by facsimile addressed to the Company at 55 Ameriprise Financial Center, Minneapolis, Minnesota 55474, Fax (612) 671-5108, Attention: General Counsel with a copy to Faegre Drinker Biddle & Reath LLP at 2200 Wells Fargo Center, 90 South Seventh Street, Minneapolis, Minnesota 55402, Fax (612) 766-7000, Attention: Amy Seidel; and (b) whenever notice is required by the provisions of this Agreement to be given to the several Underwriters, such notice will be in writing or by facsimile addressed to you in care of BofA Securities, Inc., 50 Rockefeller Plaza, NY1-050-12-01, New York, New York 10020 (fax: (646) 855-5958), Attention: High Grade Transaction Management/Legal; Credit Suisse Securities (USA) LLC, Eleven Madison Avenue, 3rd floor, New York, New York 10010, Attention: Prospectus Department; Goldman Sachs & Co. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law on October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the Underwriters to properly identify their respective clients.

12. INFORMATION FURNISHED BY UNDERWRITERS.

The Underwriters severally confirm that the information appearing in the list of names of, and principal amount of Notes to be purchased by, each of the Underwriters, the information relating to selling concession and reallowance amounts in the third paragraph of text under the caption "Underwriting", the second sentence of the seventh paragraph of text under the caption "Underwriting" (concerning market making by the Underwriters), the eighth and ninth paragraphs of text under the caption "Underwriting" (concerning short sales, stabilizing transactions and purchases to cover positions created by short sales and penalty bids by the Underwriters), and the twelfth paragraph of text under the caption "Underwriting" in the most recent Preliminary Prospectus and in the Prospectus constitute the only written information furnished to the Company by the Representatives on behalf of the Underwriters, referred to in Sections 1(d), 1(e), 1(f), 5(a), 7(a) and 7(b) hereof.

13. RESEARCH ANALYST INDEPENDENCE.

The Company acknowledges that the Underwriters' research analysts and research departments are required to be independent from their respective investment banking divisions and are subject to certain regulations and internal policies, and that such Underwriters' research analysts may hold views and make statements or investment recommendations and/or publish research reports with respect to the Company and/or the offering of the Notes that differ from the views of their respective investment banking divisions. The Company hereby waives and releases, to the fullest extent permitted by law, any claims that the Company may have against the Underwriters with respect to any conflict of interest that may arise from the fact that the views expressed by their independent research analysts and research departments may be different from or inconsistent with the views or advice communicated to the Company by such Underwriters' investment banking divisions. The Company acknowledges that each of the Underwriters is a full service securities firm and as such from time to time, subject to applicable securities laws, may effect transactions for its own account or the account of its customers and hold long or short positions in debt or equity securities of the Company.

14. NO FIDUCIARY DUTY.

The Company acknowledges and agrees that in connection with the offering and the sale of the Notes or any other services the Underwriters may be deemed to be providing hereunder, notwithstanding any preexisting relationship, advisory or otherwise, between the parties or any oral representations or assurances previously or subsequently made by the Underwriters: (i) no fiduciary or agency relationship between the Company and any other person, on the one hand, and the Underwriters, on the other hand, exists; (ii) the Underwriters are not acting as advisors, expert or otherwise, to the Company, including, without limitation, with respect to the determination of the public offering price of the Notes, and such relationship between the Company, on the one hand, and the Underwriters, on the other hand, is entirely and solely commercial, based on arm's-length negotiations; (iii) any duties and obligations that the Underwriters may have to the Company shall be limited to those duties and obligations specifically stated herein; and (iv) the Underwriters and their respective affiliates may have interests that differ from those of the Company. The Company hereby waives, to the extent permitted by law, any claims that the Company may have against the Underwriters with respect to any breach of fiduciary duty in connection with this offering. Any review by the Representative or any Underwriter of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Representative or such Underwriter, as the case may be, and shall not be on behalf of the Company, as the case may be, or any other person.

15. PARTIES.

This Agreement will inure to the benefit of and be binding upon the several Underwriters, the Company and their respective successors. This Agreement and the terms and provisions hereof are for the sole benefit of only those persons, except that (a) the representations, warranties, indemnities and agreements of the Company contained in this Agreement will also be deemed to be for the benefit of the affiliates, directors and officers, and the person or persons, if any, who control any Underwriter within the meaning of Section 15 of the Securities Act and (b) the indemnity agreement of the Underwriters contained in Section 7 hereof will be deemed to be for the benefit of directors of the Company, officers of the Company who signed the Registration Statement and any person controlling the Company within the meaning of Section 15 of the Securities Act. Nothing in this Agreement will be construed to give any person, other than the persons referred to in this paragraph, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision contained herein.

16. DEFINITION OF “BUSINESS DAY” AND “SUBSIDIARY.”

For purposes of this Agreement, (a) “Business Day” means any day on which the New York Stock Exchange is open for trading, other than any day on which commercial banks are authorized or required to be closed in New York City, and (b) “Subsidiary” has the meaning set forth in Rule 405 under the Securities Act and includes both partnerships and corporations.

17. RECOGNITION OF THE U.S. SPECIAL RESOLUTION REGIMES.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(c) For the purposes of this Section 17:

“**BHC Act Affiliate**” has the meaning assigned to the term “affiliate” in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k).

“**Covered Entity**” means any of the following:

1. a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

FORM OF PRINCIPAL ACCOUNTING OFFICER'S CERTIFICATE

AMERIPRISE FINANCIAL, INC.

PRINCIPAL ACCOUNTING OFFICER'S CERTIFICATE

March 31, 2020

I, John R. Hutt, Senior Vice President-Corporate Finance, Controller (Principal Accounting Officer) of Ameriprise Financial, Inc., a Delaware corporation (the "Company"), am providing this certificate in connection with the offering (the "Offering") by the Company of an aggregate \$500,000,000 principal amount of its 3.000% senior notes due 2025 (the "Notes"), pursuant to the Underwriting Agreement, dated March 31, 2020, between the Company and BofA Securities, Inc., Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. LLC and HSBC Securities (USA) Inc., as representatives of the several underwriters named therein, as described in the Registration Statement on Form S-3 (No. 333- 223309) filed with the Securities and Exchange Commission (the "SEC") under the Securities Act of 1933, as amended (the "Act"), and the prospectus, dated February 28, 2018, as supplemented by the preliminary prospectus supplement, dated March 31, 2020 (the "Preliminary Prospectus Supplement"), and the prospectus supplement, dated March 31, 2020 (the "Prospectus Supplement"), related to the Notes (collectively, the "Registration Statement"), and hereby certify that:

1. The only agreement or instrument to which the Company is a party or by which it is bound that contains any covenant or restriction that limits or restricts the Company's freedom to incur indebtedness is the Third Amended and Restated Credit Agreement, dated as of October 12, 2017, among the Company, as Borrower, the Lenders referred to therein, as Lenders, Wells Fargo Bank, National Association, as Administrative Agent, Swingline Lender and Issuing Lender, with Bank of America, N.A. and Citibank, N.A., as Co-Syndication Agents, Credit Suisse AG, Cayman Islands Branch, Goldman Sachs Bank USA, HSBC Bank USA, National Association, JPMorgan Chase Bank, N.A. and U.S. Bank National Association, as Co-Documentation Agents, and Wells Fargo Securities, LLC, Merrill Lynch, Pierce, Fenner & Smith, Incorporated, and Citigroup Global Markets Inc., as Joint Lead Arrangers and Joint Bookrunners (the "Credit Agreement").

2. Attached hereto as Annex A are computations demonstrating that, as of the date of the Company's latest available balance sheet, the issuance by the Company of the Notes pursuant to the Indenture, dated as of May 5, 2006 (the "Indenture"), between the Company and U.S. Bank National Association, as Trustee (the "Trustee"), and their sale would not result in a breach of, or constitute a default under, the provisions of the Credit Agreement referred to in paragraph 1 hereof. Such computations have been made in conformity with the provisions of the Credit Agreement, and the terms used in such computations have the meanings assigned thereto in the Credit Agreement.

3. To my knowledge, after reasonable inquiry, no event has occurred since the date of the Company's latest available balance sheet as a consequence of which the issuance of the Notes pursuant to the Indenture and their sale would result in a breach of, or constitute a default under, the provisions of the Credit Agreement.

4. I am familiar with the accounting, operations and records systems of the Company and its consolidated subsidiaries. I have (i) read the Registration Statement and (ii) supervised the compilation of, and reviewed the financial information set forth (A) in the Company's Annual Report on Form 10-K for the year ended December 31, 2019, as filed with the SEC on February 26, 2020 (the "Annual Report"), (B) in the definitive proxy statement for the annual meeting of shareholders of the Company to be held on April 29, 2020, as filed with the SEC on March 20, 2020 (the "Definitive Proxy Statement") and (C) under the caption "Capitalization" in each of the Preliminary Prospectus Supplement and Prospectus Supplement (the information set forth in (A), (B) and (C) collectively, the "Financial Information").

5. For purposes of this certificate, I or members of the Company's Sarbanes-Oxley Disclosure Committee (as documented by the 10-K certification processes) who are responsible for the Company's financial and accounting matters, have read the items identified in the excerpts of the Annual Report, the Definitive Proxy Statement, the Preliminary Prospectus Supplement and the Prospectus Supplement set forth in Annex B, Annex C and Annex D, respectively, and have compared those items to the Company's accounting records or schedules or analyses derived therefrom and found them to be in agreement.

3.000% Senior Note due 2025

This Note is one of a duly authorized issue of debentures, notes or other evidences or indebtedness (hereinafter called the “Securities”) of the Company of the series hereinafter specified, which series is initially limited in aggregate principal amount to \$500,000,000 (except as provided in the Indenture hereinafter mentioned), all such Securities issued and to be issued under an Indenture dated as of May 5, 2006 between the Company and U.S. Bank National Association, as Trustee (the “Indenture”), to which the Indenture and all indentures supplemental thereto reference is hereby made for a statement of the rights and limitation of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may be denominated in currencies other than U.S. dollars (including composite currencies), may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as provided in or permitted by the Indenture. This Note is one of a series of the Securities designated 3.000% Senior Notes due 2025 (the “Notes”).

Prior to the Stated Maturity the Company may, at its option, at any time and from time to time, redeem the Notes in whole or in part, by lot or as otherwise determined by the Depository Trust Company, at the applicable Redemption Price described below:

A. At any time before the Par Call Date, the Notes will be redeemable at a Redemption Price equal to the greater of (1) 100% of the principal amount of the Notes to be redeemed or (2) the sum of the present values of the remaining scheduled payments of principal and interest on the Notes to be redeemed that would be due if the Notes matured on the Par Call Date, not including any portion of such payments of interest accrued as of the Redemption Date, discounted to the Redemption Date on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate plus 45 basis points, plus, in each case, accrued and unpaid interest on the Notes to be redeemed to, but excluding, the Redemption Date.

B. At any time on or after the Par Call Date, the Notes will be redeemable at a Redemption price equal to 100% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest on the Notes to be redeemed to, but excluding, the Redemption Date.

Notice of redemption shall be sent to the registered Holders of the Notes designated for redemption at their addresses as the same shall appear on the Securities Register, not less than 15 days nor more than 60 days prior to the Redemption Date, subject to all the conditions and provisions of the Indenture.

In the event of redemption of this Note in part only, a new Note or Notes for the amount of the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

“Par Call Date” means March 2, 2025.

“Treasury Rate” means, with respect to any Redemption Date, the rate per annum equal to the semi-annual equivalent yield to maturity (computed as of the second Business Day immediately preceding such Redemption Date) of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such Redemption Date.

“Comparable Treasury Issue” means the United States Treasury security selected by an Independent Investment Banker that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Notes (assuming, for this purpose, the Notes mature on the Par Call Date).

“Comparable Treasury Price” means, with respect to any Redemption Date, (1) the average of the Reference Treasury Dealer Quotations for such Redemption Date, after excluding the highest and lowest of such Reference Treasury Dealer Quotations, or (2) if the Company obtains fewer than four such Reference Treasury Dealer Quotations, the average of all quotations obtained.

“Independent Investment Banker” means one of the Reference Treasury Dealers appointed by the Company.

“Reference Treasury Dealer” means each of BofA Securities, Inc., Credit Suisse Securities (USA) LLC, Goldman Sachs & Co. LLC and HSBC Securities (USA) Inc. and their respective successors and two other nationally recognized investment banking firms that are Primary Treasury Dealers specified from time to time by the Company, except that if any of the foregoing ceases to be a primary U.S. Government securities dealer in the United States (a “Primary Treasury Dealer”), the Company is required to designate as a substitute another nationally recognized investment banking firm that is a Primary Treasury Dealer.

“Reference Treasury Dealer Quotations” means, with respect to each Reference Treasury Dealer and any Redemption Date, the average, as determined by the Company, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Company by such Reference Treasury Dealer as of 3:30 p.m., New York City time, on the third Business Day preceding such Redemption Date, or in the event of a satisfaction and discharge, within three business days prior to the deposit of funds with the Trustee.

On and after any Redemption Date, interest will cease to accrue on the Notes called for redemption. Prior to any Redemption Date, the Company is required to deposit with a Paying Agent money sufficient to pay the Redemption Price of and accrued interest on the Notes to be redeemed on such date. If the Company is redeeming less than all the Notes, the Trustee under the Indenture must select the Notes to be redeemed by such method as the Trustee deems fair and appropriate in accordance with methods generally used at the time of selection by fiduciaries in similar circumstances.

The Indenture contains provisions for defeasance and discharge of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

If an Event of Default with respect to the Notes, as defined in the Indenture, shall occur and be continuing, the principal of all the Notes may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of any series under the Indenture at any time by the Company with the consent of the Holders of not less than a majority in aggregate principal amount of the Outstanding Securities of each series affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of any series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal, premium, if any, and interest on this Note at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, this Note is transferable on the Securities Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company to be maintained for that purpose at the Corporate Trust Office as defined in the Indenture, which is currently in the City of St. Paul, Minnesota, or at any other office or agency of the Company maintained for that purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Securities Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of the same series of other authorized denominations, as requested by the Holder surrendering the same.

No service charge shall be made for any such transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection with the registration of such transfer or exchange, other than certain exchanges not involving any transfer.

Certain terms used in this Note which are defined in the Indenture have the meanings set forth therein.

This Note shall for all purposes be governed by, and construed in accordance with, the laws of the State of New York.

Prior to due presentment for registration of transfer, the Company, the Trustee for the Notes and any agent of the Company or such Trustee may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, such Trustee nor any such agent shall be affected by notice to the contrary.

The Company may, without consent of the Holders of the Notes but in compliance with the terms of the Indenture, increase the principal amount of the Notes by issuing additional Notes on the same terms and conditions as the Notes, except for any differences in the issue price and interest accrued prior to the date of issuance of the additional Notes, and with the same CUSIP number as the Notes; provided that if any such further Notes are not fungible with the notes for United States federal income tax purposes, they will be issued with a different CUSIP number. The Notes and any additional Notes issued by the Company will rank equally and ratably and shall be treated as a single series of Securities for all purposes under the Indenture. No additional Notes shall be issued at any time that there is an Event of Default under the Indenture with respect to the Notes that has occurred and is continuing.

Exhibit 5.1

[Letterhead of Ameriprise Financial, Inc.]

April 2, 2020

Re: Ameriprise Financial, Inc.
Registration Statement on Form S-3ASR (333-223309)

Ladies and Gentlemen:

I am Senior Vice President and Assistant General Counsel of Ameriprise Financial, Inc., a Delaware corporation (the "Company"), and I have represented the Company in connection with the Registration Statement on Form S-3ASR (333-223309) (the "Registration Statement") filed with the Securities and Exchange Commission (the "Commission") under the Securities Act of 1933, as amended (the "Act"), relating to the offering from time to time of the securities referred to therein, and a Prospectus Supplement dated March 31, 2020 to the Prospectus dated February 28, 2018 (together, the "Prospectus") relating to the offer and sale by the Company under the Registration Statement of \$500,000,000 aggregate principal amount of 3.000% Senior Notes due 2025 of the Company (the "Notes"). The Notes are issued under the Indenture dated as of May 5, 2006 (the "Indenture") entered into by the Company and U.S. Bank National Association, as trustee, and sold pursuant to the Underwriting Agreement dated March 31, 2020 between the Company and the Underwriters named therein (the "Underwriting Agreement").

I or attorneys of the Company have examined the originals or copies, certified or otherwise identified to our satisfaction, of such corporate records and documents relating to the Company, including resolutions of the Board of Directors of the Company (the "Resolutions") and an Officer's Certificate of a duly authorized officer of the Company authorizing the issuance, offering and sale of the Notes, and have made such other inquiries of law and fact as we have deemed necessary or relevant as the basis of my opinion hereinafter expressed.

Based on the foregoing, and subject to the qualifications and limitations stated herein, I am of the opinion that when authenticated in accordance with the provisions of the Indenture and delivered and paid for by the Underwriters pursuant to the Underwriting Agreement, the Notes will constitute valid and legally binding obligations of the Company entitled to the benefits of the Indenture.

The opinion set forth above is subject to the effects of (a) bankruptcy, insolvency, voidable transfer, fraudulent conveyance, reorganization, moratorium, receivership and other similar laws relating to or affecting the enforcement of creditors' rights generally from time to time in effect, (b) general equitable principles, including, without limitation, concepts of materiality, reasonableness, good faith, fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies (whether considered in a proceeding in equity or at law), (c) limitations by any governmental authority that limit, delay or prohibit the making of payments outside the United States, and (d) generally applicable laws that (i) provide for the enforcement of oral waivers or modifications where a material change of position in reliance thereon has occurred or provide that a course of performance may operate as a waiver, (ii) limit the availability of a remedy under certain circumstances where another remedy has been elected, (iii) limit the enforceability of provisions releasing, exculpating or exempting a party from, or requiring indemnification of a party for, liability for its own action or inaction, to the extent the action or inaction involves gross negligence, recklessness, willful misconduct or unlawful conduct, (iv) may, where less than all of a contract may be unenforceable, limit the enforceability of the balance of the contract to circumstances in which the unenforceable portion is not an essential part of the agreed exchange, (v) govern and afford judicial discretion regarding the determination of damages and entitlement to attorneys' fees and other costs, (vi) may permit a party who has materially failed to render or offer performance required by a contract to cure that failure unless either permitting a cure would unreasonably hinder the aggrieved party from making substitute arrangements for performance or it is important under the circumstances to the aggrieved party that performance occur by the date stated in the contract, (vii) may limit the enforceability of provisions providing for compounded interest, imposing increased interest rates or late payment charges upon delinquency in payment or default or providing for liquidated damages or for premiums upon acceleration, and (viii) limit the waiver of rights under usury laws. I express no opinion as to whether, or the extent to which, the laws of any particular jurisdiction apply to the subject matter hereof, including, without limitation, the enforceability of the governing law provision contained in the Notes and the Indenture. I express no opinion as to Federal or state laws relating to voidable or fraudulent transfers.

I have relied, without investigation, upon the following assumptions: (i) natural persons acting on behalf of the Company have sufficient legal capacity to enter into and perform, on behalf of the Company, the transaction in question; (ii) each party to agreements or instruments relevant hereto (other than the Company) has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreements or instruments enforceable against it; (iii) each party to or having rights under agreements or instruments relevant hereto (other than the Company) has complied with all legal requirements pertaining to its status as such status relates to its rights to enforce such agreements or instruments against the Company; (iv) each document submitted to me or members of my staff for review is accurate and complete, each such document that is an original is authentic, each such document that is a copy conforms to an authentic original, and all signatures on each such document are genuine; (v) there has not been any mutual mistake of fact or misunderstanding, fraud, duress or undue influence; (vi) there are no agreements or understandings among the parties, written or oral, and there is no usage of trade or course of dealing among the parties that would, in either case, define, supplement or qualify the agreements or instruments relevant hereto; (vii) all statutes, judicial and administrative decisions, and rules and regulations of governmental agencies, constituting the law of the Opining Jurisdictions (as defined below), are publicly available to lawyers practicing in such jurisdictions; and (viii) all relevant statutes, rules, regulations or agency actions are constitutional and valid unless a reported decision in the Opining Jurisdictions has specifically addressed but not resolved, or has established, its unconstitutionality or invalidity. I have also assumed the accuracy and truthfulness of all public records of the Company and of all certifications, documents and other proceedings examined by me that have been produced by officials of the Company acting within the scope of their official capacities, without verifying the accuracy or truthfulness of such representations and the genuineness of such signatures appearing upon such public records, certifications, documents and proceedings.

The opinions expressed herein are limited to the specific issues addressed and to documents and laws existing on the date hereof. By rendering my opinion, I do not undertake to advise you with respect to any other matter or of any change in such documents and laws or in the interpretation thereof which may occur after the date hereof.

I am admitted to the practice of law in the States of New York and Minnesota and do not purport to be an expert in the laws of any jurisdiction other than the States of New York and Minnesota, the General Corporation Law of the State of Delaware and federal laws of the United States (the "Opining Jurisdictions"), and I express no opinion as to the effect of any other laws.

I hereby consent to the filing of this opinion as an exhibit to a Current Report on Form 8-K of the Company filed with the Commission and thereby incorporated by reference in the Registration Statement and to use my name under the heading "Validity of the Notes" in the Prospectus, without admitting that I am an "expert" within the meaning of the Act, or other rules and regulations of the Commission issued thereunder with respect to any part of the Registration Statement, including this exhibit.
